Comrades:

I enclose a list of those who failed to sign up for the Volksbegehren. I request you to check this list and report to me what each individual is doing at present, what position each holds, whether a former member of the NSDAP, a businessman, and whether membership is held in any other party.

If there are any noteworthy reactionaries or fascists on the list, please give full particulars.

Check this list most carefully and confidentially, complete the work, and return it as soon as possible.

If you consider it necessary, you can write up any individual cases with special circumstances.

Once again, return the lists as soon as completed.

The entire matter is to be treated confidentially.

With Socialist Greetings
